

## Section - A

## Comprehension - I

Read the passage.

Sitara ran to her father as she got down from the school bus. "Daddy, Nazir's cat has five kittens! Can we take one as our pet?" "But do you know how to look after a kitten, Sitara?" asked Father, as they walked home together. "Nazir said he will teach me. I have to get a little bowl for its milk." "Mummy can give you a bowl. It will need a little bed too," said Father. "Can I use a cushion for its bed? Can I keep its bed in my room, please?" begged Sitara. "Yes, you can," said Father. "Oh, thanks, Daddy! When can we go to get the kitten?" "After you've had your tea and done your homework," said Father.

Answer the questions.

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                           |
